# Minor

# Elective study

Choose elective subjects from almost anywhere in the University.

Please note: If you are studying a flexible double degree you must ensure you meet the requirements of your other degree before choosing additional subjects.

---

## Your degree

If you dream of a career in international relations with the United Nations or picture yourself working in foreign affairs for government, or even an intelligence agency, this degree is exactly what you are looking for.

You’ll be taught by internationally renowned experts and graduate with a highly-regarded qualification that will open doors to a successful career.

## What you need to know

- It will take you three years full-time to complete.
- You can combine it with other degrees to enhance your career options.
- You can study overseas as part of your degree.
- The ATAR for this degree is expected to be 90.
