BACHELOR OF PACIFIC STUDIES
Your degree
Take a leading role in Pacific policy and development, or explore your Pacific heritage, with a Bachelor of Pacific Studies.
As Australia’s engagement with the Pacific increases, so too does the need for graduates with Pacific expertise.
ANU is the only place in Australia where you can develop an in-depth understanding of the cultural, social, geographic, linguistic and political contexts of this diverse region with a specialised undergraduate degree.

What you need to know
> It will take you three years full-time to complete.
> You can combine it with other degrees to enhance your career options.
> You can study overseas as part of your degree.
> The 2014 ATAR for this degree was 80.

Pacific Studies major: The Pacific Studies major employs an interdisciplinary framework to explore important historical and contemporary issues in Oceania, and to critically examine the ways in which knowledge about the region, and the region itself, have been framed, constructed and represented. The course comprises the following:

Three core subjects:
> Pacific Studies in a Globalizing World
> Australia in Oceania in the 19th and 20th centuries
> Navigating Pacific Studies Online Course

One of the following subjects:
> Culture and Society in Asia and the Pacific
> The Modern Transformation of Asia and the Pacific

A further four subjects from the Pacific Studies Major. Some examples are:
> The Contemporary Pacific: Society, Politics and Development
> Environment, Conflict and Development in the Western Pacific
> Pacific Islands Field School

Minor/major: Choose a minor from following list:

The minimum requirement is to complete a minor - four subjects.

OR you have the option to choose a major from the following list:
Anthropology, Archaeology, Development Studies, Environmental Studies, Gender, Sexuality and Culture, Geography, History, International Relations, Political Science, Sociology, Chinese, French Language and Culture, German Language and Culture, Hindi, Indonesian, Japanese, Spanish, Environmental and Landscape Sciences, Natural Resource Management, Sustainability Science

To complete a major the minimum requirement is eight subjects.

Elective study: Choose elective subjects from almost anywhere in the University.
Please note: If you are studying a flexible double degree you must ensure you meet the requirements of your other degree before choosing additional subjects.
